

The Clothesline Project

We're hanging out our dirty laundry and bearing witness to violence against women

Women and children are breaking the silence about the violence they've experienced by painting messages on T-shirts and display them on a clothes line in the community! It's time to break the silence and stop the violence!

Where: Minto Park at Corner of Elgin and Gilmour

When: Sunday, May 27, 2012 from 11:00am-4:00pm

This event is made possible by the efforts from the Women's Event Network and Ravenswing.
